Golf Outing Information

The Golf Course

Our 18 hole, Tom Fazio designed Golf Course is considered one of the finest courses in the Johns Creek area. With six sets of tees, it is a challenging course, yet comfortably playable by all levels of golfers.

Our professional Golf and Catering Staff are highly experienced with private charitable outings as well as corporate outings of all sizes. Since 1989 we have helped our charity outings raise hundreds of thousands of dollars for their causes. We have assisted our corporate outings in entertaining their VIP clients and customers, treating them to one of the best golf experiences in the metro Atlanta area and a service experience that is detailed, friendly and gracious.

Our Course offers 7,003 yards of lush fairways, which are guarded by 82 manicured sand traps and stunning vistas. The elevation on our #1 tee is the highest vantage point in North Fulton County. Our greens are in pristine condition. A creek meanders through the Course that feeds three beautiful lakes and makes us one of only five country clubs in the state that uses recycled water to irrigate. A manicured, two tiered driving range is directly behind the Clubhouse, along with a lush putting green, and a chipping green for sand trap bunker practice. The Driving Range is available to your golfers as part of our standard outing package.

Our outing packages provide the following services and amenities:

- All tournament announcements prior to shotgun
- Professional scoring
- Use of the Driving Range prior to shotgun, range balls included
- Golf Carts
- Scorecards & Pencils
- Cart Signage
- Rules Sheets
- Access to an exclusive, award winning culinary experience, offering both casual and upscale menus based on the needs of your particular outing.

Other Outing Policies

Golf Cart Usage
St Ives has 60 golf carts. If an outing requires more, the client must rent additional golf carts through a third-party vendor. St Ives Staff will assist in obtaining a quote and renting the carts for your outing. Vendors usually quote a price based on two passenger carts. The larger seat capacity carts are usually priced higher. The vendor will invoice you directly and, therefore, should be paid separate from any St Ives invoice.

Outing Volunteers & Staff Cart Usage
If there are golf carts available (within the 60) the staff & volunteers for the outing can utilize these carts. However, if none are available, the outing will need to rent from the third-party vendor as stated above.
